Product Description Sample 3

Herbeshire's Vitamin C and Hyaluronic Acid Serum

Our Vitamin C and Hyaluronic Acid Serum contains only natural ingredients and is made up of Vitamin C, Hyaluronic Acid, Argan Oil, Propylene Glycol, Beta Glucan and others. UVA/UVB rays can cause intense damage to the skin, hence leading to premature aging. Hyaluronic Acid provides your skin with antioxidant defence against UV rays and smoothens the fine lines, wrinkles while keeping it hydrated, and more toned. Vitamin C readily boosts the skin's elasticity and adds moisture to your skin as well.

- Made of Water, Vitamin C, Hyaluronic Acid, Argan oil and others
- Contains natural ingredients only
- Helps in diminishing wrinkles
- Supports skin's healing ability
- Sourced from China
